The Lion The Bear And The Eagle

By: Kirbbie L. Cowart

He was unto me as a Bear lying in wait, and as a Lion in secret places.
Lament. 3:10

I had this dream on February 12, 2009 I was walking down a dirt road with some other people as we walked we spook a Eagle that was on the ground as it tried to fly up about ten feet to set on the lowest branch on a tree I could see It had been in a fight with something It was cutup and many fathers were missing and it was every weak. Then I look and saw a nest high up on top of the tree I looked back down and I saw a huge Bear and a huge Lion they were the one that had attack the Eagle. The Eagle was trying to protect another young eagle that was setting in a nest high up in a tree. As I Look at the Bear and the Lion they turn and went up a stairway into the heaven one on it stairway and the other on its stairway
When I first saw them I knew they were spirit beings because of their size were larger than any Lion or Bear that I had ever seen and that they were sent from God.

I did not know if the Eagle would live but I do know If I and the people that was with me had not showed up when we did it would have been killed.

"The Secret Place"*from page 1***The Lion and The Bear**
FROM PAGE 1

I told my sister about the dream and we talked about the dream over two or three weeks and never understood the meaning of it. So I wrote the dream down and kept it on file.

Saturday August 16th 2009 as I was studying for the Revival in Zavalla Texas the Lord open up the understanding of the dream.

The Eagle trying to protect the young in the nest high up in the tree my question was why was the eagle so low to the ground that a Bear and a Lion could attack the Eagle. It was like someone turn on a light when I saw the meaning of the dream.

The Understanding

Back in the sixties this nation was lifted up in pride just like all other nations that has fallen. If you remember we said we were going to the moon and we did. Remember the words "The Eagle has landed". We said we were going to build a space station among the stars and we did. Pride was growing! ***Though thou exalt thyself as the eagle, and though thou set thy nest among the stars, thence will I bring thee down, saith the Lord. Obadiah 1:4***

We said that we were not going to allow our children to be spanked by their parents and Dr. Speck book that was given out by hospitals to young mother it enforced the belief that it was wrong to spank the young. Then we were going to protect our young from Godly parents that teach the Bible and take their children to church. The school took out the Ten Commandments because we were going to protect them from the notion that there was a God to obey. Now we have armed police in the schools to protect our young. Never in the history of this nation did we need police protection for our youth. All the time the Eagle is getting lower and lower.

Do you remember the colleges told the student it was ok to live together in the dorms to get the feel of what marriage life will be like there was no commandment to keep them from it? "**Free Love**" was the theme. ***Exodus 20:14 Thou shalt not commit adultery. Deut. 5:18 Neither shalt thou commit adultery.***

When these children got pregnant with no conscience of right or wrong and no law that said ***Thou shalt not kill. Deut. 5:17*** and no fear of God, beside the government said it was ok to kill your babies. We have killed millions since the sixties. Thou knowest the commandments, Do not commit adultery, ***Do not kill, Do not steal, Do not bear false witness, Defraud not, Honour thy father and mother. Mark 10:19.*** All the time the Eagle is getting lower and lower.

Lament. 3:1-10 I am the man that hath seen affliction by the rod of his wrath. He hath led me, and brought me into darkness, but not into light. Surely against me is he turned; he turneth his hand against me all the day. My flesh and my skin hath he made old; he hath broken my bones. He hath builded against me, and compassed me with gall and travail. He hath set me in dark places, as they that be dead of old. He hath hedged me about, that I cannot get out: he hath made my chain heavy. Also when I cry and shout, he shutteth out my prayer. He hath inclosed my ways with hewn stone, he hath made my paths crooked. He was unto me as a bear lying in wait, and as a lion in secret places.

I believe that God has sent the Bear and the Lion and it has Attack the Eagle.

The Eagle being the United States of America we can see it now. ***As a roaring lion, and a ranging bear; so is a wicked ruler over the poor people. Proverbs 28:15***

With pride our leaders tell the world that we are a nation of many gods and not to weary about us being a Christian nation. Our youth now have many Idols to worship from rock stars to hip hop stars and now we will give them a new Idol ever year. Now everyone stays home on church

night to see who will be the next American Idol. Go ahead worship your Idol, God has sent the Bear and the Lion and they are destroying the Eagle. If you have not felt the Bear claw or the Lion claw just keep on worshipping your Idols you will feel it soon and you will see it.

Thy terribleness hath deceived thee, and the pride of thine heart, O thou that dwellest in the clefts of the rock, that holdest the height of the hill: though thou shouldst make thy nest as high as the eagle, I will bring thee down from thence, saith the Lord. Jeremiah 49:16

My sister had a dream of the housing market before President Bush became president and said that at the end of his second term it would get worse. She seen house sliding down a hill and she said that at the end of the housing slide she saw herself jumping off. She thought the Lord would come back or she would die one or the other but she would not be here at the end. To her the housing slide was this nation on a down hill slide. When she started hearing the news reporters make statement like "*We are on a slipper slop*", "*Housing market in a slide*" she knew it would not be long. She made that jump on May 19th she went home to be with the Lord. That eagle has slid down the side of the hill from its high place. The Bear and Lion have come to attack and they have been sent from God himself. Our only hope is to repent and now before it is too late. Cry out to God and ask him for forgiveness turn to him with all your heart. Make Jesus Lord of your life now!

As a note: My sister last dream about this nation was just before President Obama became president. The dream went like this. " She said that his speaking gave him a vehicle and he got in it and went down the road a little way and water came up over the road about a foot and the vehicle stopped and a woman got out in a black robe and veil she did not see the President get out of the vehicle. There was great sorrow and crying in the streets among the black people". The Bear and Lion have been sent by God to attack the Eagle. They are here now as you read this.

I know that not everyone that is reading this will pray or even repent but if only a small group of people will pray and repent it maybe that God will spare America from total destruction.

He was unto me as a bear lying in wait, and as a lion in secret places. Lament. 3:10
